Excerpt Minute re School Fund

Date	WHAT	WHO	WHEN
14/8/23	JM unable to access this information on computer, so no update given. (Computer fault) However, SC, SD and SMcD agreed to be quorum for Financial decisions for SCC along with DM, MK and JBM.		
10/11/23	Approx £4500 in General Playground furniture – all now painted except 1 bench – **DONE. Wall opposite P1 to be painted.** Pantomime – JM proposed doing raffle or other fundraiser to bring down charge for panto, which is currently £18.62 per pupil. Takings from raffle would top up school fund to bring down price to £15 per child – SD asked if parent council could contribute or take charge – DM will ask at next Parent Council meeting. DM also suggested money from Christmas Show tickets could be used to offset panto ticket price. Staff agreed with this idea. **Parent Council has given £237 to School Fund. Moneys from School Fund will be used to reduce panto ticket price to £15. Parent Council fundraiser will be run during Parent Contact – proceeds will go to School Fund.**		
14/2/24	**School Fund** – relatively healthy. Christmas show generated nearly £1800 for the school. Christmas Show moneys now appear under 'General' in finances.
